

Center of Competence on Neuroengineering

## **Networking Event 13.1.2015**

### **Schedule**

**14:00 – 14:15 brief introduction Event + CoC NeuroEngineering**

**14:15 – 15:30 brief introduction of participants' research**

**15:30 – 15:45 questions?**

**15:45 – open end: poster and live demo session, appetizer buffet**

**Enjoy the networking event!**

## Brief Presentations and Demos / Posters:

- Medical Electronics
- Theoretical Biophysics
- Bio-Inspired Information Processing
- Cognitive Systems
- Audio Information Processing
- Cognition and Neuronal Plasticity
- Human Machine Communication / VESPA
- Neuroscientific System Theory
- Biological Imaging
- Molecular Electronics
- Nanoelectronics

## Additional Groups with Posters / Demos

- Dynamic Human Robot Interaction
- Zentrum für Sensomotorik
- Buhl-Strohmaier Research Unit for Paediatric Neuroorthopaedics and Cerebral Palsy
- Robotics and Embedded Systems
- Zoology
